

**SOLNÉ MLÝNY A.S. OLOMOUC**

Dear Valued Customer,

Solné mlýny, a.s. hereby wants to thank you sincerely for and, at the same time, give our appreciation with regards to our current business cooperation that has developed and, as we firmly believe, will continue to develop successfully between our companies.

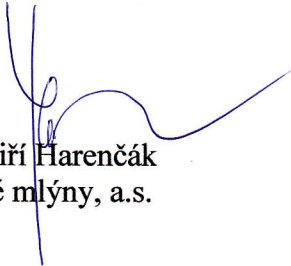

At the same time we are pleased to inform you that as of 03.01.2012 Solné mlýny, a.s. has officially become part of the esco – european salt company – group based in Hanover, Germany. esco operates three rock salt mines, two brine plants and several evaporated salt plants in Europe and belongs to the K+S Group from Kassel, Germany. The K+S Group, a leading supplier in the potash industry is also the world's largest salt supplier. Besides owning esco which is Europe's largest salt supplier, K+S AG also owns SPL from Chile and Morton Salt from the U.S.

For many years esco and Solné mlýny, a.s. have had close business relations and we firmly believe this will contribute to a continuing successful partnership with you as a customer. With this acquisition esco is showing their commitment to not only to the Czech Republic but also to this particular part of Europe.

As the General Director of Solné mlýny, a.s., I would like to wish you all the best in 2012 and would like to thank you for your loyalty to Solné mlýny, a.s.

We will continue to respect all existing contracts. Your existing contact person at Solné mlýny, a.s. will be happy to answer any further questions.

Yours faithfully

Ing. Jiří Harenčák
